Re: Piedmont Natural Gas Company, Inc.  
Docket No. 2014-250-G

Dear Ms. Boyd:

On June 25, 2014, in the above-captioned docket, the Public Service Commission of South Carolina ("Commission") approved a negotiated Natural Gas Pipeline Construction and Redelivery Services Agreement ("Agreement") between Piedmont Natural Gas Company, Inc. ("Piedmont") and Duke Energy Carolinas, LLC ("DEC"). This Agreement related to the proposed construction of Incremental Facilities at DEC's WS Lee Combined Cycle Station and the subsequent provision of service to DEC through those facilities. The Agreement provided an estimate of Monthly Demand Charges for such service (shown on Attachment B to the Agreement) but also provided, in Article IX of the Agreement, for the subsequent revision and true-up of those estimated Monthly Demand Charges based upon the actual cost to construct the new Incremental Facilities.

Piedmont hereby advises the Commission that it has now completed construction of the Incremental Facilities and has provided notice to DEC of the revised Demand Charges calculated in accordance with the provisions of Article IX of the Agreement and has provided DEC with a revised Attachment B to the Agreement reflecting these revised Demand Charges. In order to ensure that the Commission's records are accurate and complete, Piedmont hereby submits for the Commission's information, Piedmont's notice to DEC of the revised Demand Charges due under the Agreement, to include a revised Attachment B to the Agreement.

Piedmont's notice to DEC (including the revised Attachment B to the Agreement) is confidential in nature and is filed by Piedmont under seal. Piedmont respectfully requests that the Commission treat this notice in a manner consistent with that designation.

If you have any questions regarding this filing, you may contact me at the numbers shown above.

Sincerely,

/s/ Scott M. Tyler  
Scott M. Tyler
